# Your Guide to Player Safety & School Spirit Products

**BA68U DuraSkin® Backboard Safety Padding**  
 The first, the best and available in a virtual rainbow of colors... DuraSkin meets or exceeds all NCAA, FIBA and National High School Federation requirements • Fits every manufacturers' official 72" wide glass backboard but might require frame drilling on some non-Bison backboards • All Bison glass boards are predrilled for five-minute installation of DuraSkin with a screwdriver • Order two kits per court • Includes mounting hardware • Compare our 10-year replacement warranty to other manufacturers' 5-year warranties!

**Outdoor Safe Stuff™ Pole Padding**  
 Protect players from injury caused by contact with the pole... Bison makes pole padding to fit every pole system we offer • Many styles will also fit other manufacturers' poles • Velcro® attachment straps • Thick foam covered with all-weather vinyl • One-year limited warranty

Model	Fits Pole Size/Style	Padding Style	Color	Thickness	Height
BA870PP-BK	6" Square Poles, Including Bison's 5" Ultimate Systems	Fitted	Black	1"	74"

**ABC54 Full Color Vinyl Decal Logo to Apply to Any Post Padding**

**Boost Team Spirit!**  
 Add Sport Pride Volleyball Net Bands (VB1250SP) or School Spirit Side Tape Covers (VB1250ST) to your next volleyball order!

**FBCPP Competition Goalpost Padding**  
 Super thick 5" foam covered with weatherproof vinyl in your choice of 16 school colors (or order FBCPPG for printed full-color graphic padding)... Velcro closures • Protects players to a height of 72" • Meets all NCAA and National High School Federation rules • Designed to fit all goal posts to 5-9/16" diameter and 4" square • Lettering and logos available at an additional charge

FBCPPG

FBCPP with ABC51 Logo and ABC52 Lettering

**FBCPPW Goalpost Padding Wrap**  
 Easy-to-install heavy vinyl graphic wraps are custom made to fit your existing goalpost pads... Full color graphic printing options • Velcro attachment • Includes convenient transport and storage bag • Sold in pairs

# Soccer Safety Padding

**Soccer Upright Post Padding**  
 Protect your players from injuries caused by contact with goal uprights... Bison's revolutionary DuraSkin™ molded soccer padding virtually eliminates concerns about the effect of post padding on play • Isn't it time that soccer players are given the same safety considerations as players of other sports? • Choose from premium DuraSkin padding or from our vinyl covered youth/practice padding • Padding covers the bottom 72" of the posts for improved player safety at all levels of play • One kit covers both posts on one goal • DuraSkin meets NHSF rules interpretation 1-4-1.

# Graphic Wall Padding

Optional Protective Curtain

Hidden "Z" Track Mounting

## Sport Pride™ Full-Color Graphic Wall Padding

Add the WOW! factor to your indoor or outdoor athletic facility with Sport Pride full color graphic wall padding. . .The options are limited only by your imagination • Our creative art department offers exciting photo or logo reproduction and an infinite range of colors that make simple, one color padding seem, well, boring • Digitally printed graphics are far superior to silk screened or vinyl stick-ons in both image quality and durability • Protect your graphic padding investment with Protective Curtains available at an additional charge • Bison Sport Pride graphic wall padding is an excellent project for booster club fundraisers to celebrate state championships or as a component of a gym renovation.

### Standard Indoor Wall Padding Specifications

Unless otherwise indicated, all indoor Full-Color Graphic, Two-Color Lettered, and Solid Color vinyl indoor wall padding is constructed of 7/16" OSB composite board backing with adhesive applied 2" fire retardant Reflex Plus urethane foam. Leather grain (Two-Color Lettered and Solid Color styles) flame-, mildew-, and UV-resistant 14 oz. vinyl is tightly stretched around foam and secured to OSB backing by means of staples no less than 2" apart. Full-Color Graphic padding is protected with DuraLam™ liquid laminate. Full color graphic and lettered vinyl padding come standard with hidden "Z" channel mounting. Solid color vinyl padding can be ordered with standard flange or optional hidden mount style. Specifications may vary on custom sizes, shapes, and configurations to meet site-specific requirements. Contact a Bison Customer Service Specialist for details regarding foam density, foam thickness and fire retardant specification options.

# Lettered Wall Padding

## Protector™ Lettered Wall Padding

Show your home team pride. . .Make a statement on solid colored wall padding with custom one- or two-colored lettering • Choose lettering style from the options below • Selection of 4' wide instead of 2' wide panels enhances the ability to lay out your custom padding with smaller or more letters • Bison art department will provide free assistance and sample layouts

# Solid Color Wall Padding

## Protector™ Solid Color Padding

Protect your players and add color to your gym at the same time . . .This padding that has all the safety, durability and quality of our graphic and lettered padding but is priced to allow more square feet of padding for your dollar • Available in 18 vinyl colors • Choose a single color or alternate compatible school colors at no extra cost to maximize the aesthetic appeal • If choosing two colors, it is best to have an odd number of panels to allow the end panels to match • Actual vinyl color samples are available by request

# Custom Protective Padding

## Custom Protective Padding for Nearly Any Surface

If you need safety padding. . .we've got you covered. Bison has the perfect team to design and construct padding to protect players from virtually any surface from simple flat walls to columns, doorways, fences and overhead obstructions. With a wide variety of foams, fabrics, backing substrates and mounting methods, we will help you provide the padding system that best satisfies your program's needs. Let our graphic design staff work with you to make your padding system not only offer superior safety but also exhibit your program pride with full color, durable graphic designs.

Round or Square Column Padding

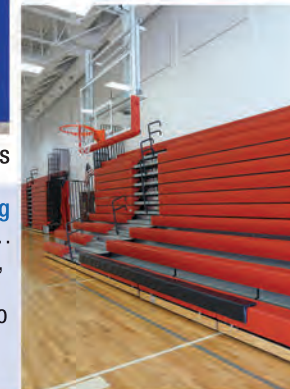

Entry Padding

Molded Openings (left) & Factory Cutouts

Stage or Corner Padding

## WP466 Economy Bleacher/Stage Padding

Protect your players from contact injuries. . . at an economy price • Each pad is 4' long, 1" thick and forms a 6" x 6" 90° angle • Black sewn 14 oz. vinyl covering • Velcro attachment system included • Set of 4 covers a total of 16' • One-year warranty

# Outdoor Protective Padding

## All Weather™ Outdoor Padding

Neither snow nor rain nor dark of night. . .All Weather Padding features 3/4" BC SYP exterior grade plywood, 100% rust-proof stainless steel, brass or aluminum hardware and fittings, 3" thick mildew-resistant polyurethane foam and heavy outdoor durable vinyl coverings • 18 sunfast solid color options, full color graphic or lettered options • Panels are vented at the bottom to allow moisture to escape, increasing both functional and aesthetic longevity • Outdoor padding cost is computed by the square foot • Outdoor padding is available in all sizes, styles, custom configuration and colors of our indoor padding

## WPRAIL Fence Rail and Dugout Padding

Easy to order, easy to install. . .8" wide x 1" thick polyurethane foam is covered in 14 oz. vinyl in your choice of 18 popular colors • Standard length is 6' but can be made in shorter lengths as desired • Designed to wrap around typical chain link style fence with top rail up to 2-1/2" diameter and attached with WPRAILCT cable ties (order separately) • Will flex around corners if needed • Brass attachment grommets are spaced 6" apart for secure attachment • Padding is 100% sewn construction with high tensile outdoor thread • Priced by the linear foot

# Custom Site Furnishings

Bison dealers and their customers now have access to the full product line of Bison's site furnishings division, BRP, through Bison's extensive national dealer network. Benches, recycling and litter receptacles and bike racks are common needs of indoor and outdoor sports facilities. Bison customers can count on the same great quality and customer service on BRP site furnishings that they have come to expect from Bison's sports equipment. Call for a full catalog and pricing or visit [www.brpbybison.com](http://www.brpbybison.com) to see our complete line.

## Bike Racks

BRP bike racks come in a wide variety of styles and finishes, some in-stock for immediate delivery...Wave and Flip Up bike racks are constructed of 2-3/8" OD heavy wall pipe and finished in a wide variety of powder coated or hot dip galvanized finishes • Bike capacities range from 2 to 13.

## Benches

BRP benches are built to last...The all steel construction and two-layer powder coated finishes provide years of durable, aesthetically pleasing and safe use in all types of climates • Choose from standard designs or customize benches with laser cut logos, facility names or donor recognition plaques.

## Receptacles

BRP receptacles are the perfect complement to our benches and are available in multiple styles for recycling or litter collection...Custom logoed or lettered receptacles add a touch of class to otherwise unattractive litter collection efforts at sport fields, parks and in pedestrian areas • Litter receptacles are available in a wide range of colors • Recycling receptacles are powder coated ecoblue.

"Mt. Olive is a small school and it was nice to have someone pay attention to every detail to make our scorers table the very best. Our Sports Boosters donated the money to purchase a Bison Sport Pride scorers table and they wanted our table to mirror the Wildcat painting in our gym. The customer service I received was second to none and the artwork is amazing!"

**Drew Logan, Basketball Coach**  
Mt. Olive High School, Illinois
